SINKING SHIP DROWNS MANY

TOKIO, July 24.—The steamship
"Tetsurei Maru," bound from Kobe,
Japan, to Dairen, Manchuria, has
been sunk off Chindo, Korea, with
appalling loss of life. Of the two
hundred and forty passengers, only
forty are known to have been saved.
All the others are missing, though
there is hope that some of them
may yet be saved.

Warships have been sent to the
rescue, in the hope of picking up
some of the missing passengers. It
is known that six lifeboats, filled
with passengers, left the vessel just
before she sank, and it is possible
that they may have been picked up
or that they may have reached land
somewhere and not have been re-
ported yet.

The captain and the entire crew
of the Tetsurei Maru were drowned,
indicating that they heroically
stuck to the doomed vessel in order
to give the passengers a chance to
save themselves in the lifeboats.

Of the passengers saved, six were
traveling first class, included among
these was W. C. Cunningham, Brit-
ish Vice-Consul at Osaka.

VICTIMS OF DEADLY CYCLONE

MILAN, Italy, July 24.—A disas-
trous cyclone swept through the dis-
trict west of this city yesterday, de-
vastating a number of towns and
bringing death in its wake. In the
towns of Saronno, Rovellano and
Linate Pozzolo, twenty-five persons
were killed by falling walls and the
greater part of the buildings have
been wrecked. There are many
deaths at Busto, the village being
practically wiped out.

MILAN, July 24.—The list of
those who perished through the cy-
clone that last Saturday devastated
the region to the west of this city
has now reached sixty. Hundreds
of others were injured. The prop-
erty loss will run into the millions.
The residents of several entire towns
are homeless, their houses having
been destroyed by the terrific wind.

Rescue work is going on through-
out the storm-wrecked sections, and
trains with food and medical sup-
plies are being sent out from here.

TORRID HEAT IN STATES.
EL CENTRO, Cal., July 24.—Ten
deaths as a result of the week have
been reported from Imperial Valley.
The intensely hot weather which has
prevailed since the first of the month
continues without a break.

Torrid Middle West.
KANSAS CITY, July 24.—The
heat records throughout all the Mid-
dle West have been broken by the
weather of the past week. There
has been much suffering and con-
siderable damage to the crops from
the unprecedented weather.

ROBBED IMMIGRANTS.
NEW YORK, July 24.—A carload
of immigrants were held up and
robbed near the outskirts of the city
last night by four bandits. The
holdup men have escaped, but a vig-
orous pursuit is being made. Re-
wards of five hundred dollars each
have been offered for their capture.

COLONEL BOWEN REPRIMANDED
MANILA, July 24.—Colonel Wil-
liam Bowen, Twelfth Infantry, U. S. A.,
has been convicted before a court-martial of showing disrespect
to his superior officers. He has been
sentenced to be reprimanded and to
be deprived of his command for
three months.

HEAT AND PTOMAIN POISONING
JOPLIN, Mo., July 24.—The
health authorities have been called
upon to treat seventy-five cases of
more or less severe ptomaine poison-
ing during the past week. The phy-
sicians attribute the large number
to the unusual atmospheric con-
ditions which have prevailed.

TAFT HURT IN GOLF GAME.
ELLSWORTH, Me., July 24.—
President Taft met with an accident
on the golf links here yesterday,
spraining an ankle during his game.
The accident will have no serious re-
sults.
